

COURSE SYLLABUS: The iPad Enabled Classroom NA-21-37

Course Name: The iPad Enabled Classroom

Instructor: Donny Wise, QuikiTech Founder and CEO, MSEE

Hours to complete this course: Between 20 to 40 hours

Is this approve by LAUSD? Yes. It is approved for 1 Salary Point by LAUSD and UTLA.

How do you process the Salary Points: As the instructor, I, Donny Wise, will send in paper work on your behalf.

Requirements to Pass: 51% Grade or higher

Course Overview

During this course you will learn how to use an iPad effectively in the context of your professional life as an educator. Many iPad apps will be described for your benefit and teachers come away with their own iPad toolkit (Quick Start Guide) that they can use with their students. This class is for the teacher who has ZERO experience with iPads. The class is also good for professionals with a solid understanding of iPads.

Lessons will be reinforced by homework assignments and quizzes in which you will have the opportunity to put into practice the concepts you learned in this course.

Presenter's Bio

Donny Wise, QuikiTech Founder and CEO, has been an educator for 20 years, in addition to working for UCLA, Hughes Space and Communication, Monster.com, IDC, and RAND Corporation. He received a B.S. in electrical engineering from the University of Washington and a M.S. in electrical engineering from UCLA. His experience in curriculum development, technology training and professional development training has enabled him to build a pipeline of instructional education material from kindergarten through college. He founded QuikiTech based on the conviction that the promise, hope, and future of society rests on the shoulders of our children. He lives in Los Angeles with his wife Ruth and two children who are currently in the Los Angeles public school system.

Course Objectives

After completing this course, educators will:

- Obtain a firm grasp on how to use the iPad in the classroom.

Learning Outcomes

After completing this course, educators will be able to:

- Turn on, connect to the internet, and utilize effectively the iPad to support your instruction.
